PROVEN
EFFICACY

TARGETER PROBLEMATIC

Acne and oily skins.

TARGETED CONSUMERS

While 80 % of adolescents (12 million of persons) are touched by acne, 20% of adults (9.6 %) are also suffering. Gimme Clear, composed of naturally powerful ingredients can answer to this problematic by treating imperfections and controlling sebum excess of oily skins.

KEY QUESTIONS

- 1) What is your skintype?
- 2) What is (are) the problem(s) to treat ?
- 3) What is your demake- up and cleansing ritual ?
- 4) Are you used to remove the last traces of impurities on your face when cleansing and removing makeup ?
- 5) What do you think about a natural, gentle and effective solution to regulate excess sebum and treat imperfections in depth ?
