KEY QUESTIONS

- 1) What is your skin type ?
- 2) What is (are) the problem(s) to treat ?
- 3) Are you used to remove the last traces of impurities on your face when cleansing and removing makeup ?
- 4) What do you think about a natural, gentle and effective solution to your skin ?

**Essential oils and
organic vegetable
oils**

SOME ADVICES

For the scalp: Apply the first shampoo to clean your scalp. Rinse it out. Then shampoo a second time. Let rest a few minutes before rinsing.

For the skin: This shampoo can be used also as a shaving gel
